YOUR PROJECT

The project will consist of contributing to :

- The organisation and administration of acting workshops (weekly classes for adults and holiday 'stage' for kids).
- The production of workshops, trainings and theatre plays (welcoming the public, helping technically backstage, etc.)
- The communication (taking pictures, distributing flyers, etc.)
- The development of the project (doing research eg. partner organisations, visiting possible new locations, etc.)

YOUR HOST ORGANISATION

The Bridge aims to connect the people of Brussels across different languages and origins, via the joint experience of culture. Via the talent of their professional actors and management team, they :

- create their own English speaking professional theatre productions of internationally renowned and socially relevant contemporary plays;
- run community workshops and corporate teambuildings;
- design immersive trainings and tailor-made illustrative scenes for conferences, and also
- produce a podcast ("How to Build a Theatre").

SUPPORT

You will always be under the responsibility of your tutor, with whom you will have weekly meetings.

You will take part in the meetings that concern you.

PLACE

The office is located in the Grand Hospice but activities are organised in various locations, mainly in the center of Brussels.

PROJECT DURATION

28h/week Monday to Friday.

They do have activities during the weekend but there is no obligation to take part in them.
